

Rural Municipality of Lumsden No. 189

300 James Street North, PO Box 160 Lumsden, SK S0G 3C0

Phone: (306) 731-2404 Website: www.lumsden.ca

Email: rm189@sasktel.net Facebook: [@RM189LumsdenSK](https://www.facebook.com/RM189LumsdenSK) Twitter: [@RMLUMSDEN189](https://twitter.com/RMLUMSDEN189)

From the Reeve's Desk...

In this, my final year on the Council of the R.M. of Lumsden No. 189, I feel satisfied that I have accomplished what I had planned as I ran for Reeve 7 years ago. Most importantly, I had hoped to create a stable financial base and did so by supporting and funding our Financial Reserve Policy to eliminate the need to frequently borrow for equipment purchases or daily operations that are easily anticipated. For the most part our municipality has the required planning and funding in place to go forward, minimalizing the requirement to take on debt. The RM's total debt is an enviable \$555,857 which will be retired in 2028.

Reserve balances as of December 22, 2023 are as follows:

| | |
|-----------------------------|------------|
| General Government | \$ 41,315 |
| Municipal Office Relocation | \$ 355,040 |
| Emergency | \$ 84,343 |
| Gravel Pit | \$ 148,684 |
| RM Shop Relocation | \$ 20,000 |
| Equipment | \$ 171,580 |
| Fire | \$ 307,817 |
| Grader | \$ 307,265 |
| Wascana Creek Re-channel | \$ 548,086 |
| Lumsden Sports Centre | \$ 8,433 |
| Library | \$ 17,574 |
| Road | \$ 940,582 |
| Bridges | \$ 310,784 |
| Pavement | \$ 571,241 |
| Heritage Home | \$ 10,000 |

In recent years, we have been successful in many grant submissions that have allowed us to complete capital projects that would otherwise be delayed. Currently, the RM has applied for grant funding for the following projects:

- Replacement of a concrete bridge on Grid 734 (\$1,000,000)
- Repair or replacement of a low level crossing known as the *Shirley Andrew Low Level Crossing* (\$300,000)
- Repair or replacement of a low level crossing known as the *Fish Farm Low Level Crossing* (\$300,000)
- Wascana Creek Bridge Erosion Protection near *Seven Bridges Road* (\$630,050).

If approved, funding will cover 50% of the maximum values stated above.

Property assessments have been increasing annually indicating that we are experiencing steady growth:

Taxable Assessment:

| | |
|------|----------------|
| 2023 | \$ 416,651,768 |
| 2022 | \$ 413,620,376 |
| 2021 | \$ 407,914,191 |
| 2020 | \$ 368,086,414 |

Balanced planning is key to our growth; our proximity to a major urban center creates benefits and challenges at the same time. This growth requires strong planning to minimize the impact on our infrastructure and the increasing pressure on ag land. Our efforts in growing our commercial assessment with tax incentives for development and new construction, are paying off and will continue to do so as we move forward.

The next municipal election will take place in November 2024. As mentioned previously this is my last year, I will not be running for re-election. Next autumn's election will be for the following positions: Reeve, Councillors for Division 1, 3 and 5. I urge you to take part and understand your municipality operationally and financially, attend council meetings and ask questions. Most importantly understand the viewpoints and positions of the people you elect; it is not enough to just have someone filling the council position. Consider why are they running, what experience do they have, does their viewpoint consider the entire municipality, does their vision match what you see for the future of our community?

I would like to thank our partner, the Town of Lumsden, for their continued participation in the joint municipal collaboration that we share, we are the envy of many municipalities and the example of what municipal cooperation can achieve.

I have spent many years as Councillor and Reeve; I have learned a lot and am proud of our accomplishments during my time on council. Thank you for allowing me to be part of the change and growth in our community.

Reeve *Kent Farago*

Please watch the website www.lumsden.ca for election information. Nominations close on October 9, 2024.

2023 By-Election Results

Nominations of candidates for the office Councillor for Division 1 were received in the municipal office.

Congratulations to Steve Eckel who was the elected Councillor on October 11, 2023. Steve commenced his duties at his first R.M. Council meeting on November 2, 2023.

Welcome new Staff Members!!

The R.M. is happy to welcome new staff members to the Municipal office. Accounting 2, Kristy Kurtz, Accounting 1, Crystal Lovelace, Reception Sarah Kowalchuk and Planner Denise Donahue. A big warm welcome to all of you!

Council

Your Reeve and Council members are:

| | | |
|------------|-------------------|---------------|
| Reeve | Kent Farago | (306)731-3116 |
| Division 1 | Steve Eckel | (306)520-2282 |
| Division 2 | Glenda Schlosser | (306)530-3632 |
| Division 3 | Cody Garbutt | (306)527-1987 |
| Division 4 | Marlise Nordstrom | (306)216-2069 |
| Division 5 | John Langford | (306)731-3392 |
| Division 6 | Cody Jordison | (306)533-8121 |

Administration

Our municipal administration is shared with the Town of Lumsden, under a Joint Administration Agreement signed in 1997;

| | |
|--------------------|--|
| Monica M. Merkosky | Chief Administrative Officer |
| Krystal Strong | Assistant Chief Administrative Officer |
| Ryan Haresign | Director of Finance |
| Aimee Bryck | Director of Planning & Development |
| Denise Donahue | Planner |
| Kristy Kurtz | Accounting II |
| Crystal Lovelace | Accounting I |
| Alyssa Riemer | Communications |
| Denine Neufeld | Accounts Receivable |
| Sarah Kowalchuk | Reception |

Public Works

Our public works staff and their respective positions:

| | |
|-----------------|-------------------------------------|
| Leighton Watts | Public Works Manager |
| Scott Haynes | Public Works Foreman |
| Keon Reimer | Heavy Equipment Operator |
| John Belay | Heavy Equipment Operator |
| Brian Cooper | Heavy Equipment Operator (seasonal) |
| David Nicholson | Heavy Equipment Operator (seasonal) |
| Cole Regush | Equipment Operator (seasonal) |
| Tim Keirl | Equipment Operator (seasonal) |

Road Concerns?

If you have a concern with a municipal road, please submit a service request using www.rmoflumsden.ca/p/service-request

Municipal Office Hours

Monday to Friday
8:00 a.m.—4:00 p.m.

Council Meetings

All Council meetings are open to the public for observation, we encourage everyone to attend when possible.

Council meetings are scheduled on Thursday's, twice monthly, with the exception of December where only one meeting is held. Please call the office or check our website to verify meeting start times and dates.

Individuals or groups requesting an opportunity to make a presentation directly to Council *must* make an appointment two weeks prior to the scheduled Council meeting. Development applications or letters to Council are also required to be submitted at least two weeks prior to the Council meeting date, to be added to Council's next regular meeting agenda.

Speed Limit

As a reminder to everyone, the maximum speed limit on rural roadways is **80 km/hr** unless otherwise posted.

Website

The R.M.'s website is available to provide our ratepayers with greater access to key municipal information, events, public notices and much more.

- Council Meeting Notices/Agendas
- Council Minutes & Bylaws
- Public Notice Information
- Historical Information

Visit our website at www.lumsden.ca today!

Commissioner for Oaths

The Municipal Office offers services free of charge for individuals requiring a Commissioner for Oaths. Please call to make an appointment.

Emergency Contact Numbers

Police, Fire & Ambulance Emergencies: 9-1-1

Police Departments (Administration):

Lumsden (306)731-4270

Regina (306)777-6500

Southey (306)726-5230

Controlled Burns

Did you know that ratepayers could be held responsible for the cost of a fire department responding to a false alarm? If you are planning a controlled burn, please call and report it in advance to avoid a false alarm.

Call 1-866-404-4911

Prior to commencing the burn

The call center is open 24/7

Fire Protection Agreements

The R.M. of Lumsden has fire protection agreements with Lumsden, Regina Beach, Craven and the City of Regina. As per these agreements, the fire departments will bill the municipality for the fire calls responded to in their jurisdiction. The municipality in turn will bill the property owner where the fire occurred or started.

The R.M. Council warns all residents of the high costs of burning. An out of control grass fire can cost the property owner several thousand dollars just for fire fighting. There have been firefighting fees ranging from \$1,000 to \$20,000, or more, in the municipality. Please review your fire insurance policy to ensure you have Fire Fighting Insurance; this is different than Fire Insurance.

Commandeered equipment utilized in an emergency is insured through the municipality. The owner will be reimbursed at rates established by Council. **If you have equipment, water supply (ex. Dugout), or anything that you believe may be valuable in cases of emergency, and are willing to make this available for use by the municipality, please contact the R.M. office or your Councillor. We appreciate your assistance.**

PLEASE REVIEW YOUR INSURANCE TO DETERMINE IF YOU ARE COVERED FOR THE COST OF 'FIRE FIGHTING SERVICES'

Property Tax Penalties

Property taxes are due December 31st of each year. Taxes which remain unpaid after December 31st will be charged a compound rate of 1.42% for *each month* that the outstanding tax amount remains unpaid.

Detailed Property Reports

The Saskatchewan Assessment Management Agency (SAMA) offers online assessment information for property owners. A detailed property report includes information about the assessed values placed on land and improvements (buildings). To view your detailed property report, have your Assessment ID number ("Alternate Number" found on your Assessment Notice) handy and visit: <http://samaview.sama.sk.ca/sama/>

2024 Education Mill Rates

The education mill rate is established by the Province. The 2024 education mill rates have not been announced; 2023 education mill rates were as follows:

| | |
|--------------------|------------|
| Agricultural Class | 1.42 mills |
| Residential Class | 4.54 mills |
| Commercial Class | 6.86 mills |
| Resource Class | 9.88 mills |

2024 Assessment Notices will be mailed in approximately March.

More information regarding the assessment of property can be found on SAMA's website at www.sama.sk.ca.

Dogs Running At Large

Bylaw No. 2015-21 prohibits dogs running at large as follows:

No dog shall run at large in the municipality and for the purpose of the bylaw, a dog shall be deemed to be running at large when it is beyond the boundaries of the land occupied by the owner, possessor or harbourer of the dog, or beyond the boundaries of any lands where it may be with the permission of the owner or occupant of said land, and when it is not under control. If you have dogs, please ensure they remain on your property. Penalties can include impoundment and/or fines.

293(2)(E) Assessment Exemption

The *Municipalities Act* provides for an assessment exemption, for agricultural land owned or leased in the municipality, or an adjoining municipality, which is to be applied against a dwelling assessment occupied by the owner or lessee.

Under clause 293(2)(E) of this Act, the assessment on a dwelling that is situated outside of an organized hamlet and is occupied by an owner or lessee of land may be reduced as follows:

- If taxable land assessment, owned or leased has a property class of either A “Agricultural” or N “Grazing Land”, and
- The land is located in this municipality or in any adjoining municipality.

The total of the eligible taxable land assessment may not exceed the taxable assessment on the dwelling.

It is the responsibility of property owners to check their tax notice to ensure that the 293(2)(E) exemption is correct.

In addition, it is the responsibility of the property owner to annually complete and submit to the Municipal Office a statutory declaration for eligible leased land or land owned in an adjacent municipality. **The statutory declaration must be submitted to the Municipal Office in the first quarter of the year in order to be considered with the annual budget.**

Should you notice an error or require additional clarification, please contact the municipal office.

The R.M. of Lumsden has contributed to the Saskatchewan Crime Stoppers program. Crime Stoppers is a successful example of community-based policing.

The police, media and local residents can work together to report and resolve crimes while ensuring anonymity and offering cash rewards.

Submit a tip by visiting www.tipsubmit.com or calling **1-800-222-TIPS (8477)**

R.M. Maps

R.M. of Lumsden Maps are available for purchase at the Lumsden Municipal Office for \$10. Alternately you can visit our website at www.lumsden.ca for a free digital copy. The map is also available on the iHunter app.

2023 Municipal Budget Highlights

Council is focused on long-term planning to address infrastructure deficits, particularly when it comes to our grid roads. Council’s priority is to continue our road revitalization work.

Deer Valley—The Organized Hamlet has allocated 70% of their municipal tax revenue (40% for operating and 30% for capital infrastructure expenditures).

Monies transferred to reserves in 2023:

| | |
|------------|--------------------------------------|
| \$327,170 | Equipment Reserve |
| \$324,095 | Pavement Reserve |
| \$349,628 | Roads Reserve |
| \$132,304 | Bridge Reserve |
| \$188,542 | Grader Reserve |
| \$ 77,806 | Wascana Creek Alignment |
| \$ 74,904 | Fire Department |
| \$ 115,332 | General Government Reserve |
| \$ 22,522 | Gravel Pit Reserve |
| \$ 11,262 | Emergency Reserve |
| \$ 6,432 | Sports Center/Library/Legion Reserve |

Council is committed to having a financial plan to address the infrastructure needs of the municipality. Their strict observance of the R.M.’s Reserve Policy makes it possible to have predictable funding for major purchases into the future.

If you would like information such as tax notices and receipts sent to you electronically, please email your request to rm189@sasktel.net.

Weed Inspector's Corner

Greetings, from your Weed Inspector.

Leafy Spurge appeared at its usual time this season and while monitoring, several new sites were found.

During the winter, I will be contacting ratepayers to plan for the next year's action on controlling Leafy Spurge and the programs available to reduce the cost of control. Control will be focused on herbicide use as the new herbicides are very effective and have a greatly-reduced environmental impact. The RM uses a contractor to spray areas identified with weed issues.

The new iMaps Invasive program is now completed. In the upcoming months, I will continue learning how to get the most out of the new program. I encourage all ratepayers to visit the iMap Invasive website at www.imapinvasives.org. Feel free to contact myself or the Lumsden Municipal Office for assistance utilizing this program.

If you have any questions or concerns about weeds in the municipality, please contact the municipal office at rm189@lumsden.ca or (306) 731-2404.

John Langford, R.M. Weed Inspector
j.langford@lumsden.ca (306)731-3392

FreeTree/Mulch/Drip Irrigation Program

Watch the RM website for news about an exciting shelterbelt/tree program from HELP
<https://rmoflumsden.ca/p/shelterbelt-program->

New Treatment Facility in RM of Lumsden

The RM of Lumsden, with the support of the Town of Lumsden, has recently approved a discretionary use application for a 60 bed inpatient addictions treatment facility to be established at the former Living Skies Retreat & Conference Centre near the Town of Lumsden. This facility had previous approval to operate a privately funded treatment centre, but will now be publicly funded and operated by Edgewood Health Network (EHN). For more information about EHN, including frequently asked questions about the facility, please visit the RM of Lumsden's website at www.lumsden.ca.

Road Allowance Mowing Policy

Subject to weather conditions, the municipality mows various road allowances as follows:

- Municipal Roads— One round annually
- Main Farm Access Roads — Complete cut by fall
- Grid Roads — Complete right of way cut by fall

Mowing procedures: Timely mowing is part of the R.M.'s plan to control weeds such as scentless chamomile and/or other noxious weeds. Please contact your Councillor or the municipality's weed inspector, John Langford through the municipal office at (306)731-2404.

Snow Removal Policy

The Public Works Department, in conjunction with authorized snow plow clubs will undertake the removal of snow from designated roads.

The municipality does *NOT* provide snow removal on private property. In order to maintain access to individual properties throughout the municipality, it is critical for every ratepayer to either privately, or in conjunction with an authorized snow plow club, provide for their own snow removal.

Authorized Snow Plow Clubs

- One or more persons may apply by completing a Municipal Snow Plow Club Application.
- Insurance requires the application to include a list of members, operators and a road map detailing roads for snow removal.
- Applications must be submitted annually by October 30th. The form can be found at www.lumsden.ca
- Each year, a base Municipal grant of \$50 per mile will be paid to the authorized Snow Plow Club. Council may increase this grant when excessive and/or prolonged snow conditions occur.

Each authorized Snow Plow Club is responsible for determining and collecting individual membership fees. Individual members are required to pay their fees promptly to ensure their snow removal needs are met.

Snow Removal on School Bus Routes

Authorized Snow Plow Clubs will greatly enhance snow removal on school bus routes.

The school bus driver will determine whether or not the normal bus route is safe to travel.

If the bus cannot safely travel the route, parents of the child/children affected may be required to meet the school bus at an alternate location determined by the school bus driver.

In accordance with Bylaw 4-1982, unauthorized plowing on municipal roads is prohibited. In addition, no person shall encumber any road in the municipality with a vehicle, building or other article or thing.

Please ensure that if you are plowing snow, **do not pile the snow in the municipal road allowance**. This causes extreme snow blockage problems on the roads and creates additional snow removal expense for the municipality. Any person found guilty of any provision of this Bylaw, may incur a penalty of up to \$10,000 in accordance with the General Penalty Bylaw of the municipality.

Unauthorized Work on Municipal Road Allowances

There has been an increase in unauthorized work being done on municipal road allowances and right of ways. Please be advised that there is to be **no work done on a road or in a road allowance without the expressed permission of a Council member or the Public Works Manager.** This includes but is not limited to, approaches, culverts, ditches, piling of rocks, debris, etc. Please ensure you contact your Division Councillor should you wish to perform any work within a road allowance.

Lumsden Library

The Lumsden Library has a fresh new look at its new location, 50 3rd Avenue (old Legion Building). It also has a fun new phone number; (306) 731-BOOK (2665)

If you haven't had a chance to see the new facility, don't miss out!

Library Hours

| | |
|-----------|---|
| Monday | CLOSED |
| Tuesday | 1:00 pm to 5:00 pm 5:30 pm to 8:30 pm |
| Wednesday | 1:00 pm to 5:00 pm 5:30 pm to 8:30 pm |
| Thursday | 9:30 am to 12:30 pm 1:00 pm to 5:00 pm |
| Friday | 9:30 am to 12:30 pm 1:00 pm to 5:00 pm |
| Saturday | 9:30 am to 12:30 pm 1:00 pm to 5:00 pm |
| Sunday | CLOSED |

Tree Planting & Other Setback Requirements

Tree planting is always encouraged as it is a natural form of protection for our wildlife and also prevents wind and water erosion. The municipality regulates by bylaw, the minimum setback distance that trees must be planted from a municipal road allowance. The RM of Lumsden has a tree planter to lend.

Setback regulations:

- Building and dwellings, trees, dugouts, solid fences, etc., Minimum 114 feet from the nearest boundary of a road allowance.

Development of buildings on site that do not abut municipal roads shall observe the minimum setbacks as identified for that district.

Cash-In-Lieu of Municipal Reserve Policy

The purpose of this policy is to guide Council in the consideration of applications from ratepayers, residents, clubs or associations to access funds from the "Municipal (Cash-In-Lieu) Reserve". The funds in the reserve are intended to assist in the creation of public recreational areas on public or municipal reserves in the municipality.

The Reserve has grown from subdivision applications where the municipality has accepted a payment of cash from a subdivision applicant, in order to meet the requirements of *The Planning & Development Act, 2007*.

Applications shall be eligible for funding of 30% of the total project cost, not including in-kind costs, to a maximum of \$3,000 per project.

Applications shall be limited to one (1) per year from each ratepayer, resident, club or association. "Ratepayers, residents, clubs or associations" refer to persons or entities within the R.M. of Lumsden or on the Assessment or Tax Roll. Preference shall be given to projects that meet accessibility standards.

Eligible applications shall include the following uses on lands designated as municipal or public reserve, where it is clear that the expenditure shall benefit the public as a whole:

- A public park or buffer strip, a natural area,
- A public recreation area including playground equipment,
- School purposes, a public building or facility,
- A building or facility used and owned by a charitable corporation as defined by *The Non-Profit Corporations Act*,
- Public agricultural or horticultural uses,
- Any other specific or general use that the Minister may provide by regulation.

The R.M. of Lumsden has been a proud supporter of STARS® since 2012 with a \$2 per capita annual donation. STARS® is a charitable, non-profit organization that relies on donations for operation and through collaborative agreements with provincial governments. Through donations from various rural municipalities across the province, SARM (Saskatchewan Association of Rural Municipalities) has been able to donate more than \$4.4 million dollars over the years to the STARS® organization. As supporters at this level, the SARM logo is on the tail of the helicopter. STARS® offers time, hope and life-saving transportation to critically ill and injured patients. In the 2022-23 fiscal year, STARS® flew a total of 1,018 missions from their bases in Regina and Saskatoon. We encourage you to check out their website at www.stars.ca for more information.

Development & Building Permits

Before commencing any development please consult the RM Zoning Bylaw or contact the Planning and Development Department to determine whether the proposed project requires a permit.

Development applications determine if the use of land, building or other structures may be developed at a specific location. All applications are reviewed for compliance with the Official Community Plan (OCP) and Zoning Bylaw.

If you are considering developing a piece of property, or changing the land use, please contact us to determine the zoning of the subject property. If the use is permitted, a permit will be issued authorizing the development according to the Zoning Bylaw. If the use is considered discretionary, the application will require approval from Council.

There are several types of development that do not require a permit such as small accessory buildings (less than 100 ft²) and fences. However, even though a permit may not be required, there still may be regulations and standards that apply, such as, there is a minimum setback of 35 metres (114 feet) from all municipal roads for all buildings, grain bins or bags, trees, dugouts and solid fences.

A development permit is not a building permit. A separate permit is required to demolish, construct, alter, add to, renovate or repair a new or existing building.

The RM has appointed Professional Building Inspections, Inc. (PBI) to serve as our Building Officials. The Planning and Development Department works with the Building Officials at PBI to review, issue and inspect all residential and commercial buildings within the RM.

Building permits ensure that building plans comply with current building codes, as well as other bylaws and applicable regulations. Permits, regulations and inspections are designed to protect the public by ensuring what is being built is safe.

Subdivision

In Saskatchewan, subdivision is guided by *The Planning and Development Act, 2007* and the applicable Regulations. The Ministry of Government Relations—Community Planning Branch is the subdivision approving authority for the RM of Lumsden No. 189.

A subdivision is a “division” of land that will result in the creation of a new surface parcel (land title), or the rearrangement of the boundaries or limits of surface parcels. Subdivision may also include the removal of a parcel tie that links two or more parcels together.

Landowners or developers considering subdivision are encouraged to use the new online [Land Planning and Development Application](#) available on the Government of Saskatchewan website to submit applications.

Through the subdivision review process, the Community Planning Branch works with the RM to ensure that every subdivision proposal is suitable for its intended use. This process takes into consideration the provincial Regulations, as well as the RM’s OCP and Zoning Bylaw to ensure access, serviceability, compatibility of adjacent land uses as well as public safety from flooding and slumping hazards.

Please contact Planner Denise Donahue, at (306)731-4470 or email: d.donahue@lumsden.ca.

Planning Bylaws and Development and Building Permit Applications are available on our website: www.lumsden.ca

Lumsden Solid Waste Facility

Hours

- Wednesday** 10:00 a.m. to 4:00 p.m.
- Thursday** 4:00 p.m. to 7:00 p.m.
(Thursdays are April 1st to November 1st ONLY)
- Friday** 12:00 p.m. to 6:00 p.m.
- Saturday** 10:00 a.m. to 4:00 p.m.
(Closed December 24th and 25th annually)

The Town of Lumsden and R.M. of Lumsden, under a partnership agreement, offer residents equal access to the Lumsden Solid Waste Facility.

- All bagged waste will continue to be allowed into the site free of charge.
- All lawn and garden vegetation will continue to be allowed into the site free of charge.
- If an individual is willing to sort their loads, all recyclables, clean wood and metal will be allowed into designated areas at the site free of charge.
- Clean concrete or asphalt will be allowed into designated areas at a rate based on the size of the vehicle.
- Household waste or small items, not bagged, will be subject to applicable tipping fees.
- Ratepayers are **not** able to obtain a key to the site from the municipal office.
- Tires are no longer accepted.

Tipping Fees

Mixed Loads

| | |
|---|----------------|
| Pick-up Truck or Small Utility Trailers | \$20 per load |
| 1-Ton Commercial Truck or Large Utility Trailer | \$40 per load |
| 2 Tons & Over | \$120 per load |
| Special Services Fee | \$250 per load |

Effective immediately, tires are no longer accepted at the Lumsden Solid Waste Facility.

Rural Recycle Program

Under a partnership agreement with the Town of Lumsden, all R.M. of Lumsden ratepayers have access to the Lumsden Recycle Centre at no charge.

The Recycling Centre is located at the Solid Waste Facility to the west of the main entrance. The building is a large metal building with a blue roof and compactor out front. The compactor is used to place all of your recyclable items that can't be re-used, reducing the need to separate those items that can't be re-used and recyclable.

In addition to the Recycling Centre, a "Re-use" area is also located inside the Recycle Centre. Recyclable items may be brought in or taken and reused by anyone who may need that item. ****Used Oil** is now accepted at the Town Public Works shop, located at 200 River Street.

Please Note: *Crown Shred is no longer accepting food containers labelled as #1 and film plastic (ex. plastic bags and/or stretch wrap)* For a complete list of accepted and prohibited items, please visit our website at www.lumsden.ca or the Recycle Centre.

Remember to Secure your Loads!

Drivers are responsible for ensuring that their loads do not drop or any portion of the load becomes dislodged.

Loose materials should be covered with a tarpaulin and the entire load should be secured to prevent damage to your vehicle and/or other vehicles around you or causing a collision.

Littering is an offence!
